GIVING BACK

Peermont firmly believes in improving the well-being of communities in which each of our casinos, hotels and resorts operate. Through financial assistance, skills training and investment support we believe in making a sustainable impact within 3 designated pillars: education and youth development, entrepreneurial development and community infrastructure.

GOING GREEN

Emperors Palace strives for sustainability. The resort has one of the largest rooftop solar PV (photovoltaic) plants in South Africa consisting of 8 949 modules covering approximately 17 000 square meters.

There is also an onsite water reservoir consisting of nine boreholes and capacity to hold 2.9 million litres of water to assist with water conservation.

Emperors Palace has an extensive recycling programme and has switched over to energy-saving solutions to manage consumption across the resort.
