Graceland is also the perfect venue for all your teambuilding needs or if you require a picaresque setting to say, 'I do.

GIVING BACK

Peermont firmly believes in improving the well-being of communities in which each of our casinos, hotels and resorts operate. Through financial assistance, skills training and investment support we believe in making a sustainable impact within 3 designated pillars: education and youth development, entrepreneurial development and community infrastructure.

GOING GREEN

Graceland's solar plant covers 2 300 square metres and aims to reduce the resort's carbon footprint by 595 tons of CO² emissions annually and together with a solar water-heating system aims to manage energy demands more effectively.

Graceland also has a water reservoir to assist with water conservation.
