Where it's always Carnival Time!

PEERMONT  
**METCOURT**  
RIO, KLERKSDORP

The three-star Peermont Metcourt hotel, suitable for both business and leisure travellers, features 70 rooms and suites with strategically placed lighting enhancing the clean, contemporary style, and vibrant Brazilian-themed murals in each of the bedrooms.

Enjoy breakfast at the F.L.A.G. Café with an adjoining bar and lounge, as well as a swimming pool with a relaxing pool terrace, beautiful landscaped gardens and exclusive business centre.

*The finest in dining  
and drinks*

The finest steaks and more are served at the always-welcoming Beef Baron Grillhouse, where your meal will always be paired with the most complimentary of wines and dedicated service.

Those looking to unwind and have an 'udderly' good time will enjoy the off-the-wall Moo Bar, our signature showbar where the cocktails are aplenty and the beer always cold.

#### EXPLORE

Close to the resort are a number of must-see tourist attractions and only 40km from Potchefstroom, home of the North-West University and its own airport.

The Faan Meintjies Nature Reserve with 30 species of game and 150 species of bird, is just 13km outside of the city while the Klerksdorp Museum exhibits early town life, archaeology, social history and local geological history, and also offers Peach Mampoer & Soet Blits liqueurs.

Klerksdorp also annually hosts one of South Africa's premium Air Show events and other activities in the area include golf, paintball, horse riding, bird watching, quad biking and canoeing.

## GIVING BACK

Peermont firmly believes in improving the well-being of communities in which each of our casinos, hotels and resorts operate. Through financial assistance, skills training and investment support we believe in making a sustainable impact within 3 designated pillars: education and youth development, entrepreneurial development and community infrastructure.

## GOING GREEN

Rio's solar photovoltaic plant boasts an impressive 431kWp grid-tiered solar power plant is capable of supplying the resort with 90% pure solar generated energy, and is expected to produce 710MW of power in its first year of operation alone.

To assist with water conservation, Rio has its own borehole and water purification system allowing it to service the resort and reduce unnecessary wastage.
